Product Information

The cork board is made of high-quality canvas with a weight of 240 g/m² and a cork backing, ensuring durability and easy pinning of notes, photos, and documents. The special canvas texture does not hinder the use of pins, while the sturdy construction guarantees stability.

Application

The board serves as an organizer for daily tasks, a planning space, a to-do list, or a creative inspiration board. It is ideal for home, office, school, or studio use.

Installation Instructions

1. Select a suitable spot on the wall, ensuring it is dry and clean. **2.** Mark the drilling points according to the spacing of the metal hanger. **3.** Drill holes and insert wall anchors (if needed). **4.** Screw in the screws, leaving a slight gap to allow for hanging. **5.** Hang the board on the prepared mounts and ensure it is stable.

Maintenance and Use

Clean the cork board with a dry or slightly damp cloth, avoiding detergents that may damage the print. To maintain functionality, insert pins gently to prevent damage to the cork structure. The set includes pins to facilitate organization and use.

IMPORTANT! Follow safety precautions when using this product.

The product is made of glass and must be handled with care to prevent breakage or damage. Do not place the product in areas exposed to strong vibrations or shocks that could cause it to fall. If the glass is damaged (e.g., cracks or chips), stop using it immediately and dispose of it safely. Keep the frame away from children – there is a risk of injury if it falls or breaks. Failure to follow these instructions may pose a risk to users' health and safety.
